Why did Moses kill the Egyptian?

What happened when Pharaoh found out what Moses did?

What name does Moses give to his son?

continues to live with

's daughter. He is a grown man now.

One day,

goes to the people of Israel.

He sees an Egyptian man

with an Israelite.

The Egyptian man kills the Israelite.

looks around.

He does not see anybody.

kills the Egyptian, and hides him in the sand.

Another day,

sees two Israelites

with each other.

says to one of the men, "Why did you start this

?"

The man says, "Do you want to kill me, the way you killed the Egyptian?"

is worried. "People know about this!" he says.

When

hears about it, he wants to kill

.

But

already fled to Midian. There, he gets married and receives a son.

calls him Gershom. "I have been a stranger in a strange land," he says.
