Lord's Day 19

How does it benefit me that Jesus has the most important place in heaven?

He has the most important place in heaven...

He rules over us.

He protects His people against the enemies: sin, the world, and their own flesh.

How does it comfort God's people that Jesus will come to judge all people?

Jesus, who will judge all people, also paid for the sins of His people. He will cast His enemies forever into hell, but He takes all His people up into heaven.
