

Are all people saved through this Mediator?

No, only the people who, through a true faith, belong to this Mediator.

Difficult words

Saved: The greatest blessing, to live eternally with the Lord, without sin, without trying to gain honour for yourself.

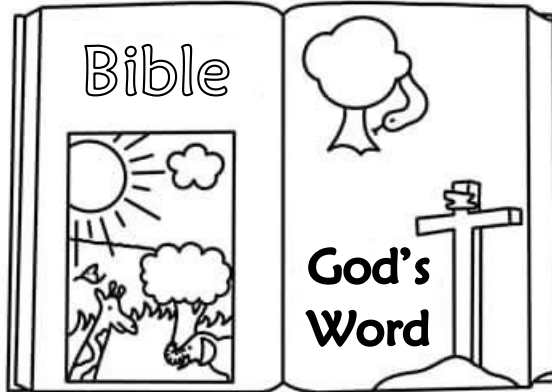

Lord's Day 7

What is a true faith?

A sure knowledge with my head and my heart that God's Word is true, and a sure confidence that the Lord Jesus is not only a Mediator for other people, but also for me.

What should I believe?

Everything that God promised in His Word. This is summarized in the Twelve Articles of Faith. These are read in church every Sunday. The coming Sundays, the Heidelberg Catechism will explain the Twelve Articles of Faith.
