

Passion Week 2

Old Testament histories pointing to Christ

<p style="text-align: center;">Sunday</p>  <p>Noah and his family were safe in the ark. We can only be safe in Christ.</p>	<p style="text-align: center;">Monday</p>  <p>Abraham had to offer Isaac. Isaac carried the wood, just like Christ carried His own cross. A ram died instead of Isaac, just like Christ died instead of His people.</p>	<p style="text-align: center;">Tuesday</p>  <p>Joseph saved lives by giving food to people. Christ saves lives as well: He gives His people eternal life!</p>
<p style="text-align: center;">Wednesday</p>  <p>The Israelites were safe behind the blood on the door posts. We can only be saved by Christ's blood.</p>	<p style="text-align: center;">Thursday</p>  <p>John 3:14 – <i>And as Moses lifted up the serpent in the wilderness, even so must the Son of man [Christ] be lifted up.</i></p>	<p style="text-align: center;">Friday</p>  <p>David conquered Goliath, a mighty enemy. Christ conquered an even mightier enemy: Satan.</p>
<p style="text-align: center;">Saturday</p>  <p>Jonah was in the belly of the fish for three days and three nights. Christ was in the grave for three days and three nights.</p>
