

# The treasure in the field

Craft instructions

## Needed:

- Treasure chest template (download from the website): it is best to print this on white cardstock
- Colouring pencils, felts, or crayons
- Gem stones
- Glue
- Cardstock for background
- Text: Matthew 13:44 (download from the website)

## Step by step instructions:

1. Colour the treasure chest, and cut it out.
2. Glue the bottom part of the chest on the background cardstock. Fold the lid a bit, so that it looks more like an open treasure chest.
3. Glue gem stones in and around the treasure chest.
4. Cut the parts of the text, and glue them in your craft.
